Support

The OOM puts on events for the registrants 3-4 times through the year. You will also be required to attend the events and provide the needed support. The OOM Council and some Committees meet monthly. You will also be expected to attend approximately 2 meetings a month in the evening from home by teleconference to provide support and take minutes. You will be given the choice of taking time back or being compensated for these meetings at the overtime rate of time and a half. This element of the position will require flexibility and an impeccable work ethic.

The OOM operates on a yearly cycle, which adds variety to an otherwise predictable daily routine. Once you get a sense for the yearly pace, you will be relied upon to make operations more efficient and effective. You can make a difference here.
